2014

### 6.5.2 Assessment of the CCRs

- (a) Each CCR should be assessed according to the extent to which the specified standards have been met.
- (b) An indicative rating on the five-point scale should be provided for each CCR
- (c) This rating should be multiplied by the weighting given to each CCR during the contracting process, to provide a score.
- (d) The applicable assessment rating calculator must then be used to add the scores and calculate a final CCR score.

### 6.5.3 Overall rating

- (a) An overall rating is calculated by using the applicable assessment-rating calculator. Such overall ratings represent the outcome of the performance appraisal.

6.5.4 The assessment of the performance of the Head of Department: Community Services will be based on the following rating scale for KPA's and CCRs:

Level	Terminology	Description
5	Outstanding performance	Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance Plan and maintained this in all areas of responsibility throughout the year.
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all other throughout the
